4. Margaret asked Joe to introduce Larry Taylor, explain why he was here and in what capacity.

Larry explained that South Algonquin is part of Northern Ontario and is therefore eligible for Northern Ontario Heritage Fund Grants. He briefly described how these grants work and what is eligible. He is prepared to help us in any way possible. He passed out “Prosperity in the North” booklet which outlines programs available. He advised us to keep both our Federal and Provincial Representatives informed of our actions and to be ready to apply for those initiatives as soon as they become available. He encouraged us to get our application to the Northern Ontario Heritage Fund in on or before March 31/09. We should have a community contact person who would be available to answer questions pertaining to any applications submitted. He was then open to questions from the floor.

Joe, on behalf of the Committee, thanked Larry for his time and information.
