

Madawaska Multipurpose Building Committee.

Meeting - September 23, 2008, M & L Community Hall - 7:30 pm.

Council Representatives: Joe Florent & Randy Jessup.

Members: Karin Hiltz, Brendia Drew, Georgina Bresnahan, Aurel Thom, Rose Jessup, Jo Lentz.

Absent: Margaret Haskin Chair.

Public: Ed Lentz, Rosemary Shalla, Terry Levean (All part of Recreation Committee).  
Joe acted as chairperson in the absence of the chair. Meeting was called to order about 7:30 pm.

Joe introduced Larry Haight to everyone. In addition to the specifications from the previous meeting, Larry was given the following information:

1. There will be a common furnace for the whole facility.
2. Bldg. to be of steel construction with possible stone or brick on front.
3. The stage in hall must accommodate a "live band".
4. There must be fire walls between each of the three facilities.
5. A ticket facility is required in the hall.
6. Parking must be such that it will not block the Fire Truck entrance.

Larry's cost is \$60. per hr. and he will contact by email a representative from each interest group as soon as he finishes the first draft. We as a group will then meet to ensure we are happy with the first draft and make any revisions deemed necessary. Larry took a copy of the plans drawn up for the Library and Hall. He agreed to try to incorporate into the plan, things that would have the least impact on the environment and would be most energy efficient. This could qualify us for any environmental grants/initiatives.

Meeting adjourned.
